

Read & Write for Chrome

- x Text-to-speech & speech-to-text
- x Word prediction
- x Highlighting & annotating
- x Simplify websites

Free for teachers!

A photograph of a young woman with long dark hair and glasses, wearing a light-colored scarf and a white sweater, sitting at a desk in a classroom or library. She is smiling and looking at a computer monitor. The background shows other desks and computers. A large white brushstroke graphic is overlaid on the left side of the image.

Reading Supports

Read & Write for Chrome

Equatio

- x Math support - equation dictation & prediction, handwriting recognition

Snapverter

- x Converts physical text to read-able PDFs

Reading
Supports

Annuncify

- ✗ Blurs out what is not being read to focus on what *is* being read
- ✗ For distraction-free reading, try **Mercury Reader**

Read Aloud

- ✗ Options to change voice, reading speed, & pitch, or enable highlighting

Reading Supports

OpenDyslexic

- x Overrides all fonts on websites with OpenDyslexic font

Comparison				
Unique letter shapes to help prevent confusion				
Verdana	rn m	MW	dpqb	l1IijJ
OpenDyslexic3	rn m	MW	dpqb	l 1 li J
OpenDyslexic	rn m	MW	dpqb	l 1 li J
Times	rn m	MW	dpqb	l1IijJ
Helvetica	rn m	MW	dpqb	l1IijJ

Beeline Reader

- x Colour gradient makes reading easier

Supporting Students with Dyslexia

Writing Supports (Dictation)

X Google Docs Voice
Typing

X Speech Recognition
Anywhere

Grammarly 🐛🐛

- x Works in any text field
- x Chrome-based word processor/document repository
- x Paid options more advanced, but free version is great, too

Ginger

- x Grammarly's less impressive cousin

Scribble

- x Chrome app
- x Research repository & PDF annotator

Writing Supports

Mindomo

- x Free version limited

Mind Meister

- x Very similar functionality

Lucid Chart

- x 💰

StayFocusd

(yep, that's the correct spelling)

- x Limits time spent on time-wasting websites

Forest

- x StayFocusd, but cute

Organization
&
Productivity

Resources

- x Chrome's [accessibility store](#) (just Google it)
- x <https://mmatp.com/chromeat/> (Mike Marotta)
- x MUN student? Visit us at The Commons!

Thanks!
